For the first time, Camp Lake Stephens is offering a Family Camp. So, families of any size are welcome to come and stay! Families will stay together in their own cabin (we only have 24 available!), while participating in games, worship, and team building time with one another. Each cabin has four bunk beds, two sinks, two showers, and two bathrooms.

Come and participate in fun activities, games, arts and crafts, worship, learning, and camp fun! Experience what your children have!

Space will be limited, but we are looking forward to many generations of Camp Lake Stephens families participating! If you have questions, call the camp office at 662-234-3350 or email Russell Casteel, Program Director, at
