

CAMP LAKE STEPHENS ADVENTURE CAMP

ELEMENTARY TREEHOUSE

Elementary aged campers who want to be a little more adventurous!

This week long camp will have all the usual experiences of main camp while spending nights at Adventure Camp and cooking their own food!

About Elementary Treehouse

Campers will stay at Adventure Camp down by the lake. There is electricity and full plumbing, including showers, and running water.

Campers follow a schedule similar to Main Camp and spend their days exploring camp through various activities.

Campers participate in worship twice daily and cabin devotions.

Campers swim and have Snack Shack with Main Camp elementary campers.

On Friday night, all campers participate in a group bonfire program and worship.

Special activities that campers will participate in are: cooking their own meals (adult assisted and supervised), and sleeping at adventure camp (large elevated screened in cabins).

Is My Child Ready?

- Is your child able to cope with a shift in their usual daily schedule?
- Is your child okay with cooking their own food (assisted), no air conditioning, and sleeping in screened in cabins?
- Is your child okay with being away from home for 5 full days?
