

CAMP LAKE STEPHENS ELEMENTARY OUTPOST

This week-long Outpost session is designed for elementary campers, offering an immersive outdoor experience.

Campers will participate in the traditional elementary camp experience while also spending Wednesday night, after Cookout, sleeping in tents.

About Outpost

Campers participate in activities through Family Groups made up of two cabins in the same age range, allowing campers to develop small communities of support to practice our faith and challenge ourselves in new skills and experiences.

Campers spend their days exploring camp through various activities with their family groups.

Campers participate in age-level worship twice daily and cabin devotions at night.

On Wednesday nights, all campers go with their family group to campsites around camp and cook their own food. That night, they will also setup tents on our athletic field for an overnight tent camping experience.

On Friday night all campers participate in a group bonfire program and worship.
