PROGRAMS

Day Camp: A Monday-Friday experience that allows campers to try out camp activities without having to spend the night. Campers get dropped off each morning and picked up in the afternoon.

Outpost: A traditional Elementary CLS experience with the addition of one night spent tent-camping outside.

Stephens Sessions: Designed for Elementary, Junior, and Senior High campers with different developmental or special needs. Campers are paired one-on-one with a counselor to best meet their individual needs.

Adventure Camp: An open-air, solar powered "Tree House," for sessions of campers from Elementary to Senior High. Elementary Campers spend the week in the treehouses, while Junior and Senior High Campers spend a portion traveling for different trips.

Mini Camp: A three-day/two-night camp for our youngest overnight campers. Campers participate in many of the same activities that Elementary campers enjoy, but on an abbreviated schedule.

Junior High Two-Week: Traditional CLS experience the first week, followed by the Two-Week Olympics the second week.

Leader-In-Training: The capstone camper program of CLS, the LIT program is a three-week session for Senior High campers meant to give campers an opportunity to learn more about leadership, faith development, and community formation at camp.

Camp Rainbow: Serves adults 18 and older with special needs. Each camper is offered at least a 1:2 Counselor-to-Camper ratio. While they are here, campers are given the opportunity to engage in fun camp activities while making friends, building skills, and enhancing self-confidence.
