

CAMP LAKE STEPHENS SUPER ADVENTURE CAMP

CLIMBING & RAFTING

For Junior High aged campers who want to be a little more adventurous!

This weeklong camp is our first ever 4-day trip experience for Junior High! Campers will have experiences of Main Camp with an exciting rock climbing and white water rafting component!

About Climbing & Rafting

Monday, campers will stay at our tree house camp down by the lake. There is full plumbing, including showers, and running water.

Tuesday, campers and staff will drive to Cherokee Rock Village at Sand Rock near Leesburg, AL. That afternoon we will explore the area, then tent camp.

Wednesday, campers will spend the day with Rocks to Rivers Guide Service learning about and experiencing top rope climbing!

Thursday, campers will head north for even more fun at the Ocoee River near Cleveland, TN! This portion of the trip will include tent camping and one guided white water rafting experience on the Middle Ocoee!

Friday, campers and staff will drive back to CLS and resume a normal main camp schedule upon their return.

Is My Child Ready?

- Is your child able to cope with a shift in their usual daily schedule?
- Is your child okay with tent camping, cooking their own food (assisted), no air conditioning?
- Does your child have any fears or nervousness around water?
- Does your child have any fears or nervousness associated with heights or climbing?
